

water
probably
customers
issues
service
companies
think
around
know
issue
really
quite
way
get
things
don't
customer
year
want
they're
say
see
going
bit
can
like
one
services
might
got
also
that's
focus
sort
just
energy
experience
good
time
lot
there's
actually
well
consumers
businesses
different
people
industry
